**Post Graduate and Research
Department of Zoology
Mar Thoma College**
(Re-accredited with A grade by the NAAC,
Affiliated to Mahatma Gandhi University)
Tiruvalla.689 103, Kerala

Venue: Golden Jubilee Seminar Hall

Time : 10 a.m

Dear Sir/ Madam,

Since its inception in 1968, the Department of Zoology has played a pivotal role in imparting biological education through its graduate and post graduate courses as well as research programme. So far we could produce twelve Ph. D and complete many major and minor research projects. The Endowment Seminar is to honor the contributions of the late Prof. C. T. Mathew, the founder of the Department and Prof. A. Abraham and Dr. M. I. Andrews who retired after meritorious service from the Department.

The theme of World Wildlife Day 2020, "Sustaining all life on earth", encompasses all wild animal and plant species as a component of biodiversity as well as the livelihoods of people, especially those who live closest to the nature. It also underlines the importance of sustainable use of natural resources. In this context the department is organizing an Endowment seminar on the topic "WILD LIFE CONSERVATION AND MANAGEMENT" by Sri. S. Balashankar on 5th March 2020 in the College seminar hall at 10.00 am. We solicit your esteemed presence and participation.

Thanking You

Dr. Susan Thomas

Convener

Dr. Icy K. John

Principal

Sri. S. Balashankar is currently working as Section forest Officer and serves as the Assistant Editor of Aranyam, the prestigious publication of forest and Wildlife Department of Kerala. He received National award for the feature "Aarogyapacha" published in Aranyam.
